February 2010 Volume 10, Issue 2

The Holiday Villages Communicator

Property Owner of the Month!

For February, we would like to recognize Al & Flo Costa of Holiday Villages of Medina, Sue Shockey of Holiday Villages of Lake Fork and Butch and Yvonne Harris of Lake Livingston.

Al & Flo Costa are friends that are both beautiful and wise. Friends like a heart that goes strong until the end. Where in the world would we be if we didn't have a friend. Friends share- they're glad when your happy-when your sad, they care. Al & Flo are always there to show you the brighter side of the day as the day arrives. Al brings our Bible Study on Friday mornings. Thanks to you guys....

Sue Shockey has been a member of the Holiday Villages of Fork Family for a short 4 years, but has certainly made her mark. She started the Women's Sewing Club (which has now become a Craft Club) that continues to grow larger all the time. Sue is also a great cook. If you are ever in need of a good cake, look her up. By the way, her Banana Nut Bread is out of this world. Congratulations Sue.

Butch and Yvonne Harris are always ready with a smile and a wave whenever they are out. Not only does Butch volunteer to pull the mosquito fogger, he also maintains it and fixes it when it breaks. They keep their place looking nice and seem to always be looking for ways to improve it. Thank you Butch and Yvonne for your contributions to our community.
